MISSION

To promote and provide family-oriented recreation for boating families and individuals; to provide an avenue of information and support of issues involving the quality of boating on our area lakes; and to encourage and promote safe and courteous boating.

MLYC was formed in 1998 as a Wisconsin corporation under Ch. 181 of the Wis. statutes without stock and not for profit.

Ahoy, MLYC Members:

On behalf of the officers and directors of the Madison Lakes Yacht Club I would like to welcome you to the 2010 Boating season. Your 2010 board has worked very hard to put together an event calendar for the upcoming season.

Due to unforeseen circumstances Jake Brown has stepped down as Vice-Commodore. Tom Branton has offered to assume that position and Tara Gottschalk has agreed to come on as a director. I want to personally thank the entire board; Tom Branton, Phil Mathison, Scott Robillard, Tara Gottschalk, Lori Neilitz, Jay Salvo and Gary Shelton for all their hard work and the dedication that they have given and will give to the Madison Lakes Yacht Club.

It is truly an honor and a privilege to have been selected as Commodore of the Madison Lakes Yacht Club. It is my hope that I can continue with all of the traditions that have been established by my predecessors who have worked so hard to make the Madison Lakes Yacht Club such a strong and vibrant group.

Our mission is simple. To promote and provide family-oriented recreation for boating families and individuals; to provide an avenue of information and support of issues involving the quality of boating on our area lakes; and to encourage and promote safe and courteous boating.

My goals for the upcoming year are really very simple. I would like to increase our membership and encourage the many new boaters to become a part of our club. The greatest strength of our Yacht Club is the friendship that it provides for all of us as we enjoy our times together whether it is at our summer parties or just socializing with each other on the piers.

Have a great and safe 2010 boating season. See you on the water soon.

Joan Salvo
Commodore
